

## How to get started on your Coffee Table Book

### Choose your album design:

(2 sides = 1 page)

#### **Coffee Table Book (prior packages called parent album)**

This 10x8 album will contain one image per page.

*Note: image numbers will **not** be displayed on album pages.*

### Choose your photographs:

1. Pick your images from your Pictage web gallery.  
If you chose the Parent Storybook Album please select 70 images.
2. Create a folder on Pictage and name it (name) Coffee Table Book.
3. Once you have your folder created you can add your selected photos to this folder.
4. Put the photos in the order in which you would like them to appear in your album.

## NEXT...

Once you have the photos in order please go to our blog under Album How To Guides & Order forms to fill out your order form. Click [here](#) to go there directly.

Please allow 7-14 business days to receive your album.

## Options:

Printed Canvas and Printed Glossy covers are now available. If you would like these options please provide the image number.

This is where you will also tell us if you would like cover text. Maximum of 3 lines.

Text Colors available for cover: Gold or Silver

Fonts available for cover: Arial or Park Avenue

If you would like more pictures in your album then you can purchase additional pages for \$5/each. (2 sides = 1 page)

The maximum number of pages per Coffee Table Books is 100 pages. If you would like more pages then this we can add on another volume to your album at no additional cost.
